 CREATOR BLUEPRINT

INCUBRIX // CO-PI

Stop editing every clip manually. Scale autonomy instead.

Five rules turn one long-form asset into a scalable distribution engine.

SWIPE FOR BLUEPRINT →

Key Insight & Framework

- **Define your brand voice guardrails clearly.**
- **Automate the cut, not the creative choice.**
- **Track retention data to refine hooks.**

PRO TIP

High-retention hooks must interrupt the scroll in under 2 seconds.
