 CREATOR BLUEPRINT

INCUBRIX // CO-PI

Stop manually cutting every clip. Automate with these 5 rules.

Systematize content reuse via five strict rules to scale output without diluting

Key Insight & Framework

- **Define atomic content units before recording.**
- **Map platform-specific aspect ratios in metadata.**
- **Enforce hook-first editing logic in templates.**

PRO TIP

High-retention hooks must interrupt the scroll in under 2 seconds.
