 CREATOR BLUEPRINT

INCUBRIX // CO-PI

# Stop cutting your podcast into random clips. It’s killing your reach.

**Repurposing is not recycling; it is surgical adaptation of core assets for distinct**

# Key Insight & Framework

- **Match the format to the platform's native consumption habit.**
- **Preserve the core insight, but rewrite the hook for that specific audience.**
- **One asset must serve three distinct user intents.**

**PRO TIP**

**High-retention hooks must interrupt the scroll in under 2 seconds.**
