 CREATOR BLUEPRINT

INCUBRIX // CO-PI

One story. Five platforms. Zero waste.

Transform raw narrative beats into high-retention short-form assets.

Key Insight & Framework

- **Identify the core emotional shift in your source material.**
- **Map that shift to platform-specific retention hooks.**
- **Distribute the same narrative arc as distinct native assets.**

PRO TIP

High-retention hooks must interrupt the scroll in under 2 seconds.
